The Garden Club of Houston to Receive Houston Hospice Spirit Award

HOUSTON - Houston Hospice is pleased to announce this year's Spirit Award Dinner will be honoring The Garden Club of Houston. The 22nd annual celebration will be a hybrid event, live-streaming and in-person, and is scheduled for Wednesday, October 28, 2020 from 7:00 p.m. to 9:00 p.m. at the River Oaks Country Club, 1600 River Oaks Blvd., Houston, Texas.

Historically, The Laura Lee Blanton Community Spirit Award recognizes the grace and generosity of a community leader or organization that has made a positive impact on the Greater Houston Area. Established in 1924, this year's honoree, The Garden Club of Houston, has supported a plethora of Houston area green spaces, including The Garden at Houston Hospice, in addition to providing educational programs that promote the love of horticulture in children, teens, and adults.

"It is our privilege to honor The Garden Club of Houston for their dedication to our community," said Cynthia Nordt, V.P. Development and External Affairs, Houston Hospice. "Through their civic leadership efforts and continuous commitment to diverse charitable causes, selecting The Garden Club of Houston as the 2020 Spirit Award recipient was a splendid choice."

This year's featured speaker will be New York Times Bestselling Author and Breast Cancer Survivor Elin Hilderbrand. Previously scheduled for the Spring Butterfly Luncheon, the Johns Hopkins University and Iowa Writer's Workshop graduate is best known as the "queen of beach reads" with 28 novels about Nantucket life and love to her name. "Every life contains a novel," she famously penned. "I certainly agree," said Nordt.
